SENIOR SCHOLARSHIP

Central Missouri CPCU Society Chapter

CPCU SOCIETY™
Central Missouri Chapter

The Central Missouri Chapter of the Chartered Property Casualty Underwriter Society is pleased to award TWO scholarships, with each winner receiving a $2000 scholarship.

Eligibility:

Spring 2026 high school graduates who plan to attend an accredited four-year college or university and reside in Audrain, Boone, Callaway, Cole, Cooper, Howard, or Moniteau County.

Write an essay on the following topic:

Today's auto, home, and liability policies were primarily built for yesterday's risks. By 2055, life may look very different:

- People may relocate inland as climate change reshapes coastlines
- Work and social life may occur almost entirely in immersive virtual spaces
- Homes and finances may operate through autonomous artificial intelligence systems

Your Challenge:

Design an insurance product for 2055 that protects against risks we don't face today, but soon might. Think boldly, base ideas on emerging trends, and imagine how protection will evolve.

- Use double spacing with Times New Roman or other accessible font, 12-point size.
- Save the document as Word, PDF, or JPG format.
- Write 2–3 pages in length with one-inch margins, not including the cover letter.
- Include citations for all references. AI usage should be limited and cited appropriately.

Please include a cover letter as a separate document which states your name.

Essays must be received by 4:00 pm on Thursday, March 19, 2026, emailed to centralmocpcuscholarship@gmail.com.

For additional information, please contact Deidre Backues at DRBackues@ShelterInsurance.com

All applicants will be notified in mid-April. The winners will be invited to attend a Central Missouri Chapter meeting in Columbia, MO to be recognized.
